Re: Leave Accrual Restoration due to Flood Disaster

On behalf of the PEF Membership and your constituents, I would like to thank you for ***your*** efforts and assistance in gaining the restoration of leave accruals for the time that our members utilized during the flooding of June 2006. I have attached a copy of the Civil Service memo regarding this issue.

This is a definite picture of what a true coalition can accomplish.

Happy Holidays to you and your family.
