### **Endicott, parts of Union ordered to boil water**

#### **From staff reports**

Residents in The Village of Endicott and parts of the Town of Union served by the Endicott Water Department were ordered to boil their water.

Residents are advised not to drink water without boiling it first. All water should be brought to a boil, and should continue boiling for one minute before use.

Use boiled or bottled water for drinking, making ice, brushing teeth, washing dishes or food preparation, the Endicott police department said in a statement.

The statement said that when floodwaters recede, the water will be tested for harmful bacteria
